Pass the attached Vistarr Visionary Certificate along to someone in need of eye or vision care. When they bring the certificate to their first appointment, we'll make a donation to the Guide Dog Foundation for the Blind, an organization that breeds and trains guides dogs and gives them to blind people. That way, you can help a friend or relative enjoy world-class eye care and help match a blind person in Pennsylvania with a guide dog.

Be a Vistarr Visionary and help bring our community into focus.
